To whom it may concern

In my capacity as the Travel and Administration Manager at the Open Society Initiative for Southern Africa, I am writing to recommend, the Event Management and Production services of Christo De Wet from Events and Co. Christo created and implemented many successful events for us from December 2016 to December 2018.

His design expertise coupled with his collaborative and innovative spirit made him the go-to expert for our most significant events. Christo is detail-oriented, organized and always open to constructive feedback, making our business relationship both effortless and pleasant.

I recommend Christo for any role through which he can contribute his remarkable creativity and dedication. With his dedication, I am confident that he would take your company events and efforts to new heights.

If you have any further questions, please feel free to contact me.
